

## Aaron Liptrot

### Assistant Accountant

#### What has been your career journey so far?

I started my career as a finance apprentice and completed my AAT level 2. Once I finished my apprenticeship I was placed in the credit-control team, I continued my studies in my own time and completed AAT levels 3 and 4 at night school. I was then asked to lead a newly formed credit analyst team to aid with the merging of 2 finance departments as the credit analyst team leader. Due to limited progression, and wanting to complete my ACCA, I moved to Ipsum as an Assistant account.

#### What course are you studying?

I am studying ACCA through a level 7 apprenticeship in accounting.

#### What does your role involve?

My role involves assisting the finance managers with any issues they may encounter, along with aiding my manager with a variety of projects to improve the efficiency of our financial processes.

#### How are you finding the course?

I am really enjoying furthering my studies, accountancy is something I would like to have a career in and the course is helping me along my journey.

#### What are your aspirations for your future career?

My aspirations for my future career are to be a become a fully qualified account, then work my way up to the top of whichever company i am part of (hopefully Ipsum).

#### What is your favourite part of the job?

Apart from the people I work with, my favourite part of the job is being able to put my past studies into practice. Working with so many qualified accountants is really helping me further my career and my studies.

#### How are you finding Ipsum?

I am really enjoying my time at Ipsum, everybody at the Chorley office are very welcoming and easy to get along with.

#### Would you recommend Ipsum?

I would recommend Ipsum to anyone that would like to further there career, whilst also enjoying coming into work every day.
